# Introduction

Located in a former peanut roasting house, Pakhuis West offers all the essential elements for a successful and captivating event. The raw industrial setting provides limitless production potential, where even the most diverse events can be created, with a capacity of 50 to 2500 patrons.

Pakhuis West consists of four separate areas, one large main area and three smaller. These areas can be used in any desired combination, and can function independently. Pakhuis West also offers an outside terrace of 300m2 with amenities.

Max. 1 gb glass fiber  
internetconnection

24 hours licence

# Tile Hall

Ideal for drink socials, art exhibitions, and trade shows. Also, conveniently used as a reception area for registration, and wardrobe.
